Challenge Committee

Challenge Procedures

The Challenge Chair position will present the idea for the guilds annual quilt challenge. It may consist of the guild furnishing a fabric or just the idea and possibly size requirements for the challenge. Participation by members is optional.

1. The chair decides what the challenge for the year will be. It could simply be a piece of fabric in the quilt, a color or even a design such as modern, etc. Search the Internet for ideas.
2. At the first meeting of the year in September, the Chair announces what the challenge is. She promotes participation by members at the meetings and in the newsletters throughout the year. The challenge is due by the June meeting.
3. The chair determines the categories, if there are any, and the criteria to vote on. Voting takes place by the members at the June meeting.
4. Prizes will be awarded to the members based on the voting results.
5. The chair will need to recruit other members to help display items and count the votes at the June meeting.
